

SAT PREPARATION SEMINAR

at Scottsdale Prep Academy

While Great Hearts offers an excellent test preparation environment through a curriculum devoted to the liberal arts and sciences, Great Hearts also recognizes that students can improve their scores on standardized tests by familiarizing themselves with the structure and content of such tests. Accordingly, Great Hearts is proud to provide an intensive SAT preparation seminar that culminates in a full length diagnostic test. Participants will get the opportunity to explore the overall structure of the current SAT, to apply logical reasoning techniques on the Math Section, and to learn effective short-cuts for the Reading Section. Special attention will be devoted to the Writing Section of the test.

The SAT Preparation Seminar will be held at Scottsdale Preparatory Academy over the course of five Sundays. Although open to all students, the seminar is intended primarily for 10th graders and (especially) for 11th graders planning to take the official SAT in Spring 2011. All sessions will take place at Scottsdale Prep Academy, 7496 E. Tierra Buena Lane (one-half mile east of Scottsdale Road on Tierra Buena).
