

Glendale Preparatory Academy Student Driving Waiver

Students who have a valid driver's license may drive themselves to and from Glendale Preparatory Academy and park on its premises if they have consent from their parents.

Students must have a Student Driving Waiver on file with the school BEFORE beginning to drive to school and abide by the following rules and regulations or the privilege will be revoked:

1. Students must follow all traffic regulations while on campus, including, but not limited to entering and exiting campus using Glendale Prep's private road. Unsafe or risky driving while on campus is not permitted. Driving that poses a risk to other students on the campus will result in immediate suspension of driving privileges.
2. Students may not transport other students (including siblings) to or from school unless explicit written permission from the other students' parent is on file with the school office.
3. Students must have school-issued permit on their car window to park on campus. Parking permits will be issued once a signed Student Driving Waiver has been received.
4. Students must park in designated student parking areas. Students understand that parking in the school's parking lot is at their own risk. Glendale Preparatory Academy and Dove of the Desert will not be held responsible for personal property, theft, loss or damage to vehicles and property.
5. Students may not leave campus or visit their car at any time during the school day. Students needing to leave campus early, e.g. for a doctor visit, must have a written note requesting permission from their parents and sign out of the office before leaving campus.
6. Students may not keep any item in their cars or trunks that is forbidden on the Glendale Prep campus. Academy personnel may search and seize property if there is reason to believe that some material or matter is present that is detrimental to the health, safety, or welfare of students.
7. All automobile accidents in the parking lot must be reported **IMMEDIATELY** to the front office and an incident report must be filed.
8. Glendale Preparatory Academy and Dove of the Desert will not be held liable for any damages caused by students transporting themselves to and from school and/or by utilizing the school's parking lot.

Please return to the Glendale Prep office

I agree to abide by the above rules and regulations. I understand that failure to adhere will result in revoked driving privileges and potential disciplinary action.
