Please note: You must have a child currently enrolled at GLENDALE Preparatory Academy in order to participate in the GLENDALE Preparatory Academy Priority Sibling Enrollment event, and GLENDALE Preparatory Academy will only guarantee sibling preference for incoming students who apply during our Priority Sibling Enrollment event. Participating in our Priority Sibling Enrollment event *does not* guarantee placement at GLENDALE Preparatory Academy, but does guarantee sibling preference (which greatly increases a sibling's chance of being offered a spot at GLENDALE Preparatory Academy).
